

Prescription Drug Price Comparison Worksheet

Drug Name: _____

Drug Dosage: _____ (Make sure that all comparisons are made for the same drug dosage and the same number of pills.)

Generic Available? Y / N

Split Pill in Half? Y / N (Be certain to ask your doctor and your pharmacist if this is advisable! Not all medications can or should be split in half.)

Mail Order is best used for “maintenance medications,” that are taken regularly over a long period of time.

Call Advantage Benefits at (800) 544-9505 for additional pricing information. Be sure to tell them that you are calling about the Prism Care Card from ElderCare Online.
